## NOT SURE WHAT TO TRY?

*If you're feeling spoiled for choice, here are some Staff Picks to get you started:*

### 128.31: "Cava and Raspberry Liqueur Jelly"

The aroma is creamy with a hint of mint, while the palate features almond butter cookies, flamed orange, and star anise-spiced cider. Adding water brings out sangria, quince paste, orange salad, fennel, and black olives.

### 108.71: "An Autumn Vineyard Walk"

The combination of toffee apples, fruit cake, yogurt bar, pineapple jelly, and apricot jam brings notes of cinnamon and fig, while adding water unveils honey, orange zest, unripe pear, and lime for a crisp finish.

### Distillery 4 Rare Release 2024:

#### "Take Me to the Chippy"

A luxurious whisky perfect for a black-tie dinner, paired with crispy seaweed chips, mussels poached in ale, and rich crab salad. It offers notes of salty chips and buttered cornbread, with a satisfying, taffy-like texture.
